EVERYTHING YOU NEED TO BUILD A TOWN IS HERE

Look out for 41 signs scattered through Weston in 8 interconnected layers. The layers we have identified - THE PANOPTIC, FOUNDATIONS, THE GREAT ARCHITECT, THE AMATEUR BUILDER, THE BOTANICAL, LIGHT, TIME and ANDS - are but a few of the hundreds, maybe thousands, to be found here. You can start your search anywhere, but we have made a Keystone Sign on the wall of the Old Town Quarry where all of our identified layers are exposed.
